

Dear Parents,

Welcome to the Lowell Elementary School website. Our new webmaster is Mrs. Laura Baumann. She will manage our website and work with the staff at Lowell School to enhance communication between home and school.

District 200 Vision and Mission Statements are grounded upon the philosophy of "*inspiring in everyone a passion to excel.*" We embrace that philosophy at Lowell. All of us want parents and community members to become involved in our school. We value your contribution to Lowell, and we have various opportunities in which you can become involved. Perhaps you'd like to get involved with P.T.A. or assist one of our teachers by creating or copying classroom materials, or working directly with children.

Please know that the Lowell staff is committed to providing the roots for lifelong learning at school. We believe that our students should be responsible citizens, critical thinkers, healthy individuals, and academic achievers. Students should also be able to have fun while they learn.

All of us at Lowell hope that you enjoy our web page. I will continue to keep you informed about what's going on at school in the weekly Memo newsletters. Those will be posted on our website.

If you have any questions, please do not hesitate to contact the school at (630) 682-2085.
